CERTIFICATION UNDER 37 § C.F.R. 3.73(b)

We, the undersigned, certify that we are individuals empowered to act on behalf of petitioners, Reedy International Corporation and Genpak Corporation, the assignees of the entire right, title and interest in the above-captioned reissue patent application by virtue of an Assignment from the inventor(s) of application serial no. 08/163,010 recorded on or about September 12, 1995, at reel/frame 7634/0615. The present application is an application for reissue of U.S. patent no. 5,817,261, which issued from serial no. 08/702,922, filed August 26,

1996, which is a continuation of serial no. 08/163,010, filed December 7, 1993, U.S. Patent no. 5,595,694, which is a continuation of serial no. 07/995,289, filed December 22, 1992, U.S. patent no. 5,269,987.

We further certify that we have reviewed the above-mentioned Assignment and that, to the best of our knowledge and belief, title is in the above-identified assignees.

We further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
